Asia's Thought-Leadership Platform for Health Innovation and Investment

As an annual thought-leadership programme, the **Asia Summit on Global Health (ASGH)** brings together senior government officials, influential business leaders, investors, services providers and renowned academia to examine global trends in health innovation and investment, explore areas of global collaboration in the health arena and showcase new business opportunities and partnership for investors and project owners.

The ASGH is the anchor event of **International Healthcare Week** – a promotion campaign synergising various healthcare-related events in Hong Kong, including but not limited to conferences, seminars, webinars, roundtable meetings, networking activities, etc., to facilitate cross-disciplinary exchange and collaboration.

Insights and Intelligence

- Prospects and Trends of the Global Healthcare Industry
- The Latest Healthcare Investment Landscape in China
- Advancing Healthcare in Asia through Innovation
- Hong Kong's Strengths and Roles:
 - Global Fundraising and Healthtech Hub
 - A Base for Biomedical Research and Commercialisation
- Health Insurance Opportunities in Asia
- Impact Investing in Healthcare
- Healthy Ageing and Longevity

ASGH Exhibition and InnoHealth Showcase

Health innovation and technology companies, R&D institutions, incubation centres, science/biotech parks and laboratories, services providers, investment agencies and government bodies from Hong Kong and overseas will showcase the latest health innovations and their unique capabilities at ASGH exhibition.

InnoHealth Showcase brings together medical and healthcare start-ups with investors and partners from around the world to explore business partnership opportunities.

Side Visits to Health Clusters

ASGH participants can enhance their experience by opting to join a side visit to health clusters in Hong Kong or other Greater Bay Area cities. This provides a unique opportunity for participants to gain valuable insights into the latest developments in the healthcare and medical sectors in the region.

ASGH Deal-making

A unique deal sourcing and matchmaking session connecting potential investors, including venture capitals, private equities, family offices and more, with project owners in the healthcare and medical sectors.

Project Pitching

To facilitate business matchmaking and provide more publicity exposure to projects with fundraising needs, shortlisted start-ups will take part in live project pitching.

ASGH 2023 at a Glance

Themed “**Reimagining the Future of Healthcare**”, the third edition of **Asia Summit on Global Health** concluded successfully in May 2023 in Hong Kong.

2023 Participant Profile

Hear What They Say

I would like to thank the Hong Kong Trade Development Council for organising the ASGH and inviting me to join the Summit. The ASGH is a truly rewarding experience for me, not only in terms of enhancement of understanding about Hong Kong's biomedical policy landscape, but also a deeper understanding towards the development of the healthcare sector in Hong Kong. I was much impressed by the great organisation of the Summit, for which I would like to convey my sincere gratitude. I look forward to having the opportunity to join the next edition of the ASGH!

Dr Jiang Hua

Chairlady and Chief Executive Officer, Shandong Boan Biotechnology Co., Ltd.

I wanted to take a moment to express my sincere appreciation for the opportunity to participate in ASGH 2023. The event was a resounding success, and I was thoroughly impressed with the level of engagement and connection that was fostered among the attendees. The presentations were informative, the networking opportunities were also invaluable, and we had the pleasure of meeting many like-minded individuals who share our passion for this fascinating area of research.

Mr Jim Chiu

Business Development Manager, MICROBIOTA I-CENTER (MagIC)

It was my first time to attend the Summit. But it's definitely one of the best events I have ever attended. Well-organised and very impressive.

Ms Roberta Lipson

Founder, United Family Healthcare; Vice Chair, New Frontier Health

The Summit was very well-organised, with highly enriching content and insightful discussions. I would like to express my appreciation towards the considerate arrangements.

Dr Wang Xingli

Executive President, Co-Chief Executive Officer (Co-CEO) of Innovative Medicines Division and Chief Executive Officer (CEO) of Global R&D Center, Shanghai Fosun Pharmaceutical (Group) Co., Limited

Thank you for arranging this event. The exhibition had many booths in many states of business to match. Our group felt very happy to come to this event and the local visiting was also very interesting. The speakers were also various in many health sectors. The staff had a warm welcome. We are looking to join the event again next time.
