Organisers

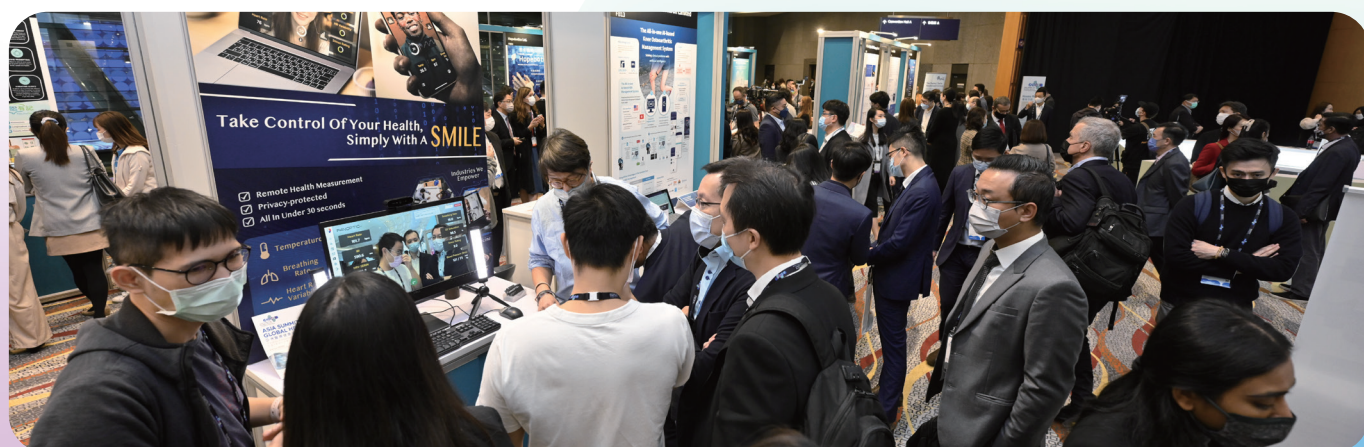

香港特別行政區政府
The Government of the Hong Kong
Special Administrative Region

ASIA'S THOUGHT-LEADERSHIP PLATFORM FOR HEALTH INNOVATION AND INVESTMENT

As an annual thought-leadership programme, the **Asia Summit on Global Health (ASGH)** brings together senior government officials, influential business leaders, investors, services providers and renowned academics to examine global trends in health innovation and investment, explore areas of global collaboration in the health arena and showcase new business opportunities and partnership for investors and project owners.

The ASGH is the anchor event of **International Healthcare Week** – an annual gathering for all health-related players with a series of events to facilitate cross-disciplinary collaboration.

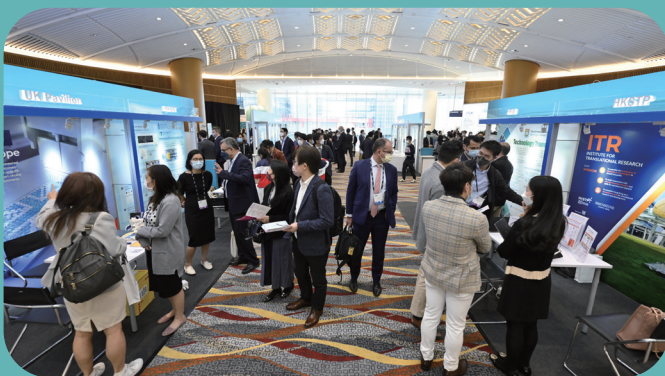

INSIGHTS AND INTELLIGENCE

- Future of global health development
- New directions in public health policies
- Health innovation and investment
- Health equity and sustainability
- AI, big data, digital health and medtech
- Dual circulation opportunities in China
- Business opportunities in ASEAN
- Strategic roles of Hong Kong as:
 - A gateway to the Guangdong-Hong Kong-Macao Greater Bay Area
 - An international funding and commercialisation platform

EXHIBITION

Health innovation and technology companies, R&D institutions, incubation centres, science/biotech parks and laboratories, services providers, investment agencies and government bodies from Hong Kong and overseas will showcase the latest health innovations and their unique capabilities.

INNOHEALTH SHOWCASE

An exhibition area dedicated to connecting start-ups in the medical and healthcare sectors with investors and partners from around the world to explore business partnership opportunities.

DEAL FLOW MATCHMAKING

A unique deal sourcing and matchmaking session connecting sources of funds – including venture capitals, private equities, family offices and more – with projects in the healthcare and medical sectors.

ASGH 2021 AT A GLANCE

Running on the theme “**Shaping a Resilient and Sustainable Future**”, the inaugural **Asia Summit on Global Health** concluded successfully in November 2021 in Hong Kong. The event ran in a hybrid format, offering both online and in-person participation and connecting people from across the globe.

2021 PARTICIPANT PROFILE

HEAR WHAT THEY SAY

Everybody's so excited just to be together again. It is always a **real benefit to get together healthcare practitioners** who are really willing to contribute to improve, and to have that broad exchange.

Claudia Süessmuth Dyckerhoff

Board Member, Hoffmann-La Roche;
Board Member, Ramsay Health Care

I have met with **substantial projects with good potential for investment and strategic cooperation**. For next year's conference, I will definitely ask some of my portfolio companies to participate and take up a booth at the event.

Emmanuel Hui

Principal, Pentepebble

The conference is extremely well-organised. We are talking about **some very big topics that are going to impact each and every one of us**.

Dennis Lo

Director and Li Ka Shing Professor of Medicine,
Li Ka Shing Institute of Health Sciences,
The Chinese University of Hong Kong

ASGH is a terrific event. **Wonderful speakers and a very informative and stimulating programme**. It is a very rewarding experience.

Fred Hu

Chairman, Primavera Capital Group

We have received **a vast number of enquiries at our booth**. Some of them I believe could be turned into very useful business leads and some could be our potential investment partners as well.

Dominik Kaltenbacher

CEO, Vibrosonic
